PERSONAL CAREER DEVELOPMENT PLAN

PCDP 1 ☐ 2 ☐ 3 ☐ 4 ☐ 5 ☐ 6 ☐

The purpose of this plan is to ensure that your work is clearly focused on achieving your research and professional goals. This will play a major part in informing the trajectory of your PhD research and in your training and development as a researcher. Your plan will also be a useful resource when it comes to writing up, and it will help you develop key skills which will be invaluable for both your current research an your future career prospects.
